Dear _____,

Ho, ho, ho! Merry Christmas from the North Pole!

The elves and I have been very busy getting ready for Christmas Eve. The workshop is full of toys, the reindeer are practicing for their big flight, and Mrs. Claus has been making plenty of Christmas treats.

I heard something wonderful about you this year:

Keep being kind, helpful, and thoughtful. Those are the things that make Christmas magic last all year long.

I have to get back to the workshop now. The elves say there is still plenty to do!

Merry Christmas!
